

What about a major in...?

# Music Education (B.M.)

UNIVERSITY OF MINNESOTA

CLA COLLEGE OF LIBERAL ARTS  
UNIVERSITY OF MINNESOTA

## What is Music Education?

The degree in Music Education is offered with two concentrations: instrumental/general music K-12 and choral/general. The instrumental/general concentration requires that a student be admitted via the audition on an orchestral or band instrument; the choral/general concentration requires that a student be admitted in voice, piano, organ, or classical guitar. Completion of the degree in Music Education culminates in eligibility for state licensure in the concentration area.

## What are the major requirements?

Go to [www.catalogs.umn.edu/programs.html](http://www.catalogs.umn.edu/programs.html) and select "Undergraduate majors."

## How do I declare a Music Education major?

Admission to a music program is contingent on passing an audition. Auditions are highly competitive with students normally having studied for a number of years: a minimum of three to four years in voice, guitar, or on an orchestral or band instrument, eight to twelve years on piano. Auditions are held throughout the academic year. Incoming freshmen normally take the audition during the winter of their senior year of high school; transfer students, one semester prior to the term in which they plan to enroll. Students applying for the program in music education are also required to pass an interview with the music education faculty. You will be required to declare a major by the time you have completed 60 credits.

1. Talk with someone from the department: an adviser, a professor, or a teaching assistant, to learn more about the major and its requirements.
2. When you decide upon a Music major, meet with the Director of Undergraduate Studies to complete a Major Program form.
3. Bring a copy of the form to your CLA student community.
4. If you decide to change your major, contact your CLA student community for information on the new major's declaration process.
