

# The <sup>real</sup> Cost of Education

Do the Math!

**The sooner you graduate, the more you save**

Our 13-credit policy enables students to take a 14th, 15th, 16th credit or more for **FREE**. Students taking advantage of this policy enjoy the following benefits.

- **Save money**  
As much as 37% in tuition and fees alone
- **Improve your chances of graduating**  
Students who take more than 5 years to graduate are at a significantly higher risk of *never* completing their degree
- **Enhance your education**  
Students who take 15 or more credits per semester have a better educational experience
- **Enjoy a competitive edge**  
Students who set and achieve timely graduation goals are more attractive to many employers, graduate schools, and professional schools
